HW3

Start Assignment

- Due Friday by 6pm
- Points 10
- Submitting a file upload
- File Types py

UPDATE: Due Friday Feb 14. How you get 10 points below:

1 file. make sure it runs and is in .py. (5 points)

From the last 3 slides tonight, update the program to add new functions and options to the menu.

1. Option to view all contacts (1 point)
2. Options to view some of the contacts. Specifically, ones that begin with a letter. (1 point)
3. Option to view exactly 1 contact (exact match on name). (1 point)
4. Option to update a contact (1 point)
5. Add logic so that you can enter in upper, lower or mixed case and it will still find it (1 point)

Here is the code from class today with 2 functions.

Due next Wednesday (not Monday because I am nice)

contact address book.py (https://sjsu.instructure.com/courses/1603017/files/80921004?wrap=1) ↓
